

# ECO Bricking!!!

You should not be able to squeeze it.

If too big, then cut the plastic up

eco bricks.org

I'm a super hero

eco warriors song

minimum weight 650g

I'm about to explode

Pollution to solution

3. and hard it in

1. drink and clean and fill the bottle **2L** only

2. get yourself a kitchen spoon, stick, broom handle.
