- Heavier and Lighter
- Measure mass
- Compare mass
- Full and empty
- Compare volume

CURRICULUM ENRICHMENT

- Sharing stories with Year 6
- Bike Safety with local PSCO
- School Trip to Cogges Farm
- Visit to North Leigh Church

TOPIC & SCIENCE

In **History & Geography**, we will be learning about how North Leigh has changed over time. We will be comparing how the school has changed and moved sites from when it was originally setup. We will continue to work on our mapping skills and visit parts of North Leigh as part as our field work.

In **Science**, we will learn how to identify different parts of plants and understand what plants need to grow. We will also learn to identify different plants and trees. As the seasons continue to change, we will progress with our ongoing unit of work around each season.

RE

Does celebrating Rosh Hasanah help Jewish children feel closer to God?

We will explore the religion of Judaism and why some may chose to celebrate Rosh Hasanah.

How do people know how to behave?

We will look into how people's beliefs and religion can shape their behaviour.

PSHE

Relationships

We will discuss how we have different relationships with our family to our friends.

Changing Me

We will learn the proper names for all of our body parts and understand that our bodies will change as we age.

E-SAFETY & COMPUTING

Digital Typing

We will continue to develop our typing skills and change the font and size.

Programming Animations

We will learn how to use ScratchJr to programme sprites.

MUSIC

Round and Round & Your Imagination

We will learn to recognise different styles of music and move to the rhythm of these. We will also begin to use the glockenspiels to play along to the music!

Map It Out

We will look at a range of different maps and have a go at creating our own with a variety of medias.

Making a Moving Story Book

Creating a book with moving parts!

ART & DT

PE & OUTDOOR LEARNING

Cricket

We will be outside on our school field working on our striking and fielding skills.

Athletics

We will continue to develop our throwing, jumping and running skills ready for Sports Day.
