

	Autumn Term		Spring Term		Summer Term	
	Me and my Community		Once Upon a Time		Explorers	
Reception	Growing up/ My school/My family North Leigh, school grounds & the village Seasons / Light & Dark		Homes: past and present Exploring the globe / maps Freezing and Melting		Holidays: past & present Animals across the globe , Growing & Planting	
Year 1	Changes within living memory		UK: similarities and differences		"Urban masterpiece"	
	Changes in toys over the past 60 years, comparison of modern and old, introduction to chronology and events on a timeline		city, town, village, beach, cliff, coast, forest, hill, mountain, sea, ocean, river, seasons and weather		Local Geography: North Leigh (village), Local History : North Leigh (school, houses)	
	Seasonal Changes: observe changes across the four seasons, observe and describe weather associated with the seasons & how day length varies	Animals and Humans Identify and name a variety of common animals, identify, name, draw and label the basic parts of the human body, focusing on senses	Materials identify and name a variety of everyday materials, including wood, plastic, glass, metal, water, and rock	Seasonal Changes observe changes across the four seasons, observe and describe weather associated with the seasons	Plants identify and name a variety of common plants, and describe their basic structure	Living Things and their Habitats explore and compare the differences between things that are living
Year 2/3	Ancient Civilizations: Egypt, Greek, Maya		Rivers run wild: UK, Europe		"Urban masterpiece"	
	Learn about and compare clothes, education and traditional games from Ancient Egyptian, Greek and Maya periods		UK countries, capitals, seas, weather, seasons, water cycle, rivers, hills, mountains		Local Geography: Witney (town) & comparison with another town, Local History: Witney (blankets)	
	Animals and Humans notice that animals, including humans, have offspring which grow into adults	Materials identify and compare the uses of a variety of everyday materials	Rocks compare and group together different kinds of rocks	Forces & Magnets compare how things move on different surfaces, observe how magnets attract or repel each other	Plants observe and describe how seeds and bulbs grow into mature plants and what they need to grow and stay healthy.	Living Things and their Habitats name a variety of plants and animals in their habitats, including micro-habitats
Year 3/4	Ancient Civilizations: Egypt, Greek, Maya		Rivers run wild: UK, Europe		"Urban masterpiece"	
	Learn about and compare clothes, education and traditional games from Ancient Egyptian, Greek and Maya periods		UK countries, capitals, seas, weather, seasons, water cycle, rivers, hills, mountains		Local Geography: Witney (town) & comparison with another town, Local History: Witney (blankets)	
	Animals and Humans identify that humans and some animals have skeletons and muscles for support, protection and movement	Materials find out how the shapes of solid objects made from some materials can be changed	Rocks Investigate different kinds of rocks on the basis of their appearance and simple physical properties	Forces & Magnets compare and group together a variety of everyday materials and identify some magnetic materials	Plants identify and describe the functions of different parts of plants, investigate the way in which water is transported within plants, describe the life cycle of flowers	Living Things and their Habitats explore & use classification keys to help group & name a variety of living things
Year 5	Ancient Civilizations: Egypt, Greek, Maya		Frozen Kingdom: polar regions		"Urban masterpiece"	
	Study of social structures & systems of governance, major inventions & achievements & their influence today.		Latitude, longitude, equator, Northern & Southern Hemisphere, Arctic and Antarctic Circle		Local Geography: Oxford (city), Comparison with another world city, Local History: car industry, architecture influences	
	Light find patterns in the way that the size of shadows change,	Earth and Space describe the movement of the Earth & other planets, relative to the Sun in solar system	Materials decide how mixtures might be separated, including through filtering, sieving and evaporating	Forces identify the effects of air resistance, water resistance and friction, that act between moving surfaces	Living Things and their Habitats describe the life process of reproduction in some plants and animals	Animals and Humans describe the changes as humans develop to old age.
Year 6	Ancient Civilizations: Egypt, Greek, Maya		Frozen Kingdom: polar regions		"Urban masterpiece"	
	Study of social structures & systems of governance, major inventions & achievements & their influence today.		Latitude, longitude, equator, Northern & Southern Hemisphere, Arctic and Antarctic Circle		Local Geography: Oxford (city), Comparison with another world city, Local History: car industry, architecture influences	
	Evolution and Inheritance identify how animals and plants are adapted to suit their environment	States of Matter identify part played by evaporation & condensation in the water cycle & associate the rate of evaporation with temperature.	Electricity construct a simple series electrical circuit identifying its basic parts, including cells, wires, bulbs, switches and buzzers	Sound find patterns between the volume of a sound and the strength of the vibrations that produced it	Animals and Humans Identify & name parts of the circulatory system & describe functions of the heart, blood vessels & blood
