Dear Parents and Carers

Squirrel and Otter classes have lots of lovely activities planned across the curriculum that require additional resources to ensure every child can participate fully. These activities may include cooking, art and craft, planting, sensory play and woodwork. We believe that due to the hands on approach to the curriculum, these activities will greatly enhance the learning and outcomes for every child.

In order for these activities to go ahead, we would appreciate donations of:

- Compost, pebbles, pine cones, conkers feathers
- Watering cans, child sized shovels, spades
- Binoculars, magnifying glasses
- Baking trays, cake tins, wooden spoons, scoops
- Toilet rolls, cotton buds, cotton wool, egg boxes, corks
- Ribbons, string, elastic bands
- Old note books, letter writing paper
- Outgrown gloves, winter/sun hats

If you feel you might have other useful items that you would be willing to donate, please speak to your child's class teacher. Please bring any donations to your child's class.

We are also asking if parents would be willing to pay £6 (£2 per term) towards fresh cooking supplies. This payment has been set up on My Child at School and may be paid as one amount or after Christmas and Easter.

We are very grateful for any donations and payment that you are able to make and thank you for your ongoing support

Yours faithfully

Catherine Hill
