Dear Parents and Carers

Residential Visit Adventure Plus: 10-12 May 2027

Further to my letter of 22 June, I am writing to give you further information about the residential visit we have arranged for children in years 4 and 5 to go to Adventure Plus in Clanfield next year.

I am pleased to confirm that the cost of this trip is slightly less than anticipated and will be £235 per child. This includes the following activities: biking, climbing, canoeing, archery, bushcraft, fencing and slacklining as well as full board and insurance. We do ask that parents transport their children to and from the Centre in order to keep costs down.

To aid parents with payment, we have set up a payment plan on My Child at School as follows:

- £55 non refundable deposit to be paid by Friday 30 October 2026
- £30 to be paid on or by 21 of the months of November, December 2026, January, February, March and April 2027.

Payments should be made via My School at School; you will see them under trips. It is possible to make payments on other dates than those above. Please note, that if the full balance is not paid by 21 April as per the payment arrangement, your child will not be able to attend.

You can see photos of activities and access information by visiting their website at <https://www.adventureplus.org.uk/>. We will hold an information evening nearer to the time when we can address any concerns you may have. Adventure Plus will send us parent information packs in due course which will include a kit list and other information. It will be necessary for you to supply details of any medical conditions, medication, dietary issues etc but we will contact you about this at a later date.

If your child is in receipt of pupil premium funding, please contact us in confidence to discuss a payment arrangement. If you would like to discuss any concerns around funding the trip, please make an appointment to see me.

Yours sincerely
