Year 4 & 5 Maths: Autumn Term 2 2026 We will monitor your child's progress through daily arithmetic tasks.

Week beg 02/11	Week beg 09/11	Week beg 16/11	Week beg 23/11	Week beg 30/11	Week beg 07/12	Week beg 14/12

Practise times tables and division facts up to 12 x 12

https://www.timestables.co.uk *(see pupil login details in front cover of homework book)*
https://www.topmarks.co.uk/maths-games/hit-the-button *(google Hit the Button)*

Daily 5-minute challenge (choose one times table)

Say it:
Say it over and over again in different voices (one 8 is 8, two 8's are 16, three 8's are 24 etc)
eg in the car, as you walk upstairs, as you brush your teeth!

Write it:
Write as many facts as you can remember (remember fact families?!)
Ask an adult to call out multiplication questions
Practise the facts you find hardest

Practise addition and subtraction skills – whole numbers (up to 10,000,000)

Write out some addition / subtraction questions using column method that require exchanging and check them on a calculator

eg $5114 + 198 + 245 = \square$ $9091 - 6772 = \square$

Practise multiplication *(3 or 4 digits by 1 digits in a column)* ***and division*** *(3 or 4 digits by 1 digit in a "bus stop")*

Write out some multiplication questions using column method and division questions using bus stop and check them on a calculator

eg $\square = 741 \times 6$ $2621 \times 26 = \square$ $7936 \div 8 = \square$

Assessment Week

The assessment will focus on a times tables speed test (see an example of this in the homework book

We will share Arithmetic Assessment attainment and progress with you at Parents Evening in Autumn 2.
