Young Carers at School

Young Carers generally care for members of their immediate family who may be:

- A parent with an illness, disability, mental health problem or dependency on alcohol or drugs
- An elderly grandparent who is frail, or who has a health problem or disability
- A brother or sister who has a health problem or disability

At North Leigh School, we appreciate that there are many demands on pupils who provide care and we would like the opportunity to meet the needs of Young Carers in school.

It would help us greatly to know if there are any family circumstances, such as disability or long-term illness which mean that extra support might be needed for your child. Alternatively, if your child is already registered, please let us know who they are registered with so that we can continue to offer support.

If this is the case, please complete the form below and return to Mrs Mason, Assistant Headteacher & Pastoral Lead, via the school office. If you would prefer, you can contact Mrs Mason at the school on 01993 881525 or via e-mail at assistanthead@north-leigh.oxon.sch.uk. All information will be treated in strict confidence.
