At North Leigh School, we are committed to supporting children of the armed forces and appreciate that there are many demands on these pupils and their families. We would like the opportunity to meet the needs of Service Families in school.

Children are invited to a fortnightly, lunchtime Service Club run by Mrs Mason, our Pastoral Lead. The activities they undertake offer them opportunities to talk about what it is like to be a child from a service family as well as having fun!

In order to meet the needs in school of children of service families, it is important that we are aware of any parent who is in the armed forces. This also includes having been in the armed forces within the last six years. Please complete this section on page 6 of your child's enrolment form.

Should a parent be deployed, please inform Mrs Mason via the school office. If you would prefer, you can contact her at the school on 01993 881525 or via e-mail at [assistanthead@north-leigh.oxon.sch.uk](mailto:assistanthead@north-leigh.oxon.sch.uk). All information will be treated in strict confidence.

Yours faithfully

**Ben McPherson**
