Dear Parents and Carers

In order to meet the new requirements following changes to the data protection rules in May 2018 (GDPR), we have had to update our Permission Slips and Consent Forms. The new forms are attached and I would be grateful if you could sign and return them to the school office as soon as possible. If you do not give consent, please ensure that you tick the appropriate box on the relevant slip.

We will keep these forms on file for the duration of your child's time at North Leigh School but if you change your mind at any time with regard to any of the permissions below, please let us know in writing and we will adjust our records accordingly.

Photo/Video/Instagram Permission Slips

From time to time we take photos and videos of the children which we like to share on the school website and Instagram page and in displays around the school. The identity of the children will always be protected.

Could you please read, sign and return the attached permission slips regarding Copyright Release and Digital video.

If you do not give permission, could you please write this on the slip and return it to the school office.

We will keep these signed forms on file for the time your child is at North Leigh CE Primary School. If you wish to amend your permission in the future, please let us know in writing.

Local Environment Consent Form

We are always seeing to use the local environment to enhance learning. This might include nature walks, trips to the library and visits to the Church. Could you please sign and return the enclosed consent form to ensure your child can be included in these excursions.

We will keep this signed form on file for the time your child is at North Leigh CE Primary School.

Fundraising Consent Form

During the school year there may be fundraising requests from the school or PTA. Please sign the consent form attached to confirm that you are happy to receive these requests.

Code of Conduct for Parents

The Code of Conduct for Parents, in line with Oxfordshire County Council guidance underpins the positive, effective working relationship we have with parents in school. Could you please take time to read this document and sign and return the Agreement (Appendix (1) attached. We will keep this signed form on file for the time your child is at North Leigh CE Primary School.

Thank you for your support.
