| 1 | You think you're really cool, you think you're really hot,
You think I'm scared of you, I'm here to say I'm not.
You think you're really something, you think you're really tough,
Well come and have a go if you think you're hard enough,
'Cause I'll mash you and I'll crash you,
I'll bash you and I'll trash you,
I'll show you I've got nothin' to lose,
'Cause when I come down the mountain,
I'll be wearing dragon-skin shoes. | (Tell him Tommy!)
(That's right)
(Uh huh)

(Nothin' to lose) |
| 2 | I think you're pretty stupid, I think you're pretty lame,
When I get through with you, you're gonna know my name.
I'm badder than the baddest, the roughest of the rough,
So come and have a go if you think you're hard enough,
'Cause I'll crack you and I'll beat you,
I'll cook you up and eat you,
I'll make you an offer you can't refuse,
'Cause when I come down the mountain,
I'll be wearing dragon-skin shoes. | (So true!)
(It's Tommy!)
(My hero)

(You can't refuse) |
